

Plan your KPMG opportunities

UCSB Fall 2020 Virtual Recruiting

Ace the Case

Ace the Case is an interactive program that includes a case analysis workshop, presentation skills workshop, and business case simulation. The workshop sessions help participants build the critical skills to analyze and present an effective case. The business case simulation allows you to put your new skills to work immediately and receive feedback from KPMG professionals. It's a great way to practice for your future career.

Branding U program

KPMG Branding U is a one or two day program that, through live instruction, interactive activities, and fun original videos, teaches students how to build their own brand. This program will provide tips and guidance on networking, creating your resume, acing an interview, dressing for success, and more.

Discover program

Discover KPMG is an exciting local leadership program that lets you explore audit, tax, and advisory while gaining insight into the culture and career opportunities at KPMG. You may meet KPMG clients during a site visit, learn about our career development resources, network with KPMG professionals, and connect with other top college candidates. Discover KPMG allows you to learn more about becoming a part of our story and the KPMG family.

Embark Scholars

Embark Scholars Embark Scholars is a multi-year internship program that helps develop high-performing students of color into the KPMG leaders of tomorrow. You will have the opportunity to complete more than one internship and benefit from industry-leading technical and professional development training. You will also have access to additional KPMG resources that will help prepare you to succeed in the competitive world of professional services. To be eligible for the Embark Scholars program, you must be from a traditionally underrepresented racial and ethnic minority group within the professional services industry.

Global Advantage program

KPMG Global Advantage (GA) program is a four day training for future KPMG interns that focuses on some of the key attributes of a successful KPMG professional. Topics covered in these sessions include Leadership, Self-Awareness, Interpersonal Impact, and Cultural Versatility. All sessions are led by National KPMG partner instructors. Previous programs have been held in London, Barcelona, Dublin, Berlin, Amsterdam, and Budapest. Eligibility is limited to students who are one year away from their KPMG internship.

Rise Leadership Institute

The Rise Leadership Institute (Rise) is redefining how KPMG engages and supports inclusivity. If you're a high-performing college freshman or sophomore who identifies as a person of color, veteran, person with disability, LGBTQ+, and/or first-generation college student, then RISE up and make your mark with KPMG! Rise offers a four-day leadership conference, unique inclusive leader development program, variety of scholarship and career opportunities, and year-round support and learning via our Rise virtual cohort.

Winter or Summer Internship

A KPMG internship is a terrific way to learn business skills, find a mentor, build your network, and get real-world experience before graduation. You'll get to explore what it's really like to be a professional in Audit, Tax, Advisory, or Business Support Services, and discover the countless opportunities that will inspire your career at KPMG. If you're on a four-year track, apply for a winter or summer internship in the spring of your sophomore year or in the fall of your junior year. If you're on a five year track, apply for a winter or summer internship in the spring of your junior year or the fall of your senior year.
